Sing about the seasons.

Talk about the date. Include the day, the month and the number of days we have had so far in the month. For example: **Today is Monday 1st June 2020.**

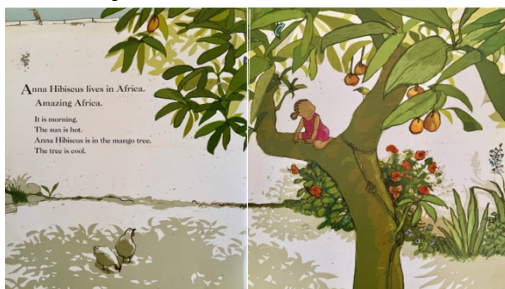

Look outside to see what the weather is like today: **'Today it is cloudy, but there is a bit of sun peeping through.'**

Number

Fill in the missing numbers. Check you have put the correct number in by counting along the number line. Tell your adult how you know which number is missing. Use the number line to help you count back from 20.
