

Year 1 Daily Home Learning

Tuesday 2nd June 2020

English

Listen to the text on the **school website** called 'Could a Shark Do Gymnastics?' again.

Can you write five (5) facts about sharks? You can draw some pictures to help you.

Maths

A shark can jump really high to catch seals and birds.

How high can you jump?

How far can you jump?

Measure how far you can jump using a ruler or footsteps.

Try this!

PE: Along with how far and how high you can jump can you carry out some other jumps such as:

- 5 star jumps
- 5 tuck jumps
- 5 frog jumps
- 5 rabbit hops

Challenge: What other jumps can you think of? How many can you do in a minute?

Thought of the day

"With the new day come new thoughts and new strengths."

– Eleanor Roosevelt
