

English

Match the suffix to the root word. Remember, when you add a suffix it should make a new word.

ed est ing ly ment

fast, play, enjoy, slow, sing, walk, tall, try, quick, excite

Now choose four of the words and write each of them into a sentence.

Maths

Read the problems below, decide if they are addition or subtraction problems. Then write the problems as a number sentence and solve them. You could use a blank number line, column method, or objects around your home to help you.

The problem The important parts are underlined	+ or -	Number sentence and answer
I had <u>15</u> pencils. I gave <u>5</u> away. How many have I got <u>left</u> now?		
I had <u>12</u> toy bats. Daddy gave me <u>3</u> more. How many toy bats have I got now?		
I had <u>27</u> books. Mummy took away <u>7</u> . How many books have I got <u>left</u> now?		
I had <u>20</u> ducks. Daddy gave me <u>4</u> more. How many ducks have I got now?
