Try learning the months of the year.

Talk about the date. Include the day, the month and the number of days we have had so far in the month. For example: **Today is Friday 5<sup>th</sup> June 2020.**

Look outside to see what the weather is like today: **Today it is sunny outside.**

### Shape, space and measure

Which activity would you do at night time?  
Circle it.

Talk about your daily routine, using words like:

In the morning

In the afternoon

At night

For example:

In the morning I have my breakfast.

In the morning I do my learning at home.

### Literacy

Read the sentences. They tell you what you might see on Safari in Africa and how you might travel to see the animals.

I can see a zebra.

What animal might you see in Africa?

I am in the truck.

How would you travel on Safari in Africa?

**Something special** – <https://www.bbc.co.uk/teach/class-clips-video/pshe-eyfs-ks1-go-jettters-continent-of-africa/zfv7d6f>

Use the link to learn all about Africa, the continent where Anna Hibiscus lives. You could draw some pictures to show what you have found out.

You could write some sentences to show what you have found out.

You could ask your mum or dad to film you while you talk about what you have found out.
