Ancient Egypt Day!

Make a Pharaoh's Headdress:

Cut a band of gold card about 5cm wide and long enough to wrap around your head.

Draw an outline of a headdress shape onto gold card. Cut out and staple to the centre of the gold band.

Cut strips of blue paper and glue them around the headdress. Trim off any overhanging edges.

Make a snake from a gold card body and a blue paper head and glue to the top of the headdress.

Bend the card band around your head and staple the ends to make it fit.

Mummify your doll:

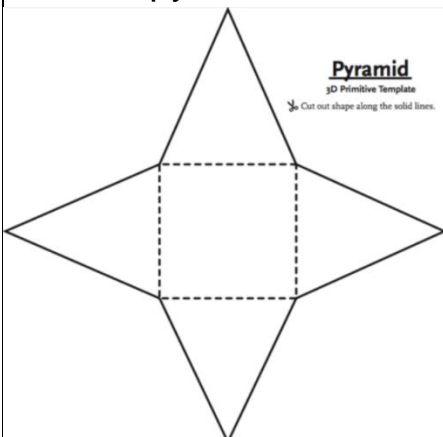

Grab any kind of doll or toy you have.

Wrap your doll in toilet paper. When the doll is completely wrapped spray a little bit of water and press the toilet paper around the doll.

When dry add another layer and repeat to make sure no body bits are showing.

Make a pyramid:

Use this template to create your own pyramid.

Fold the along the square and stick the triangles together.

Decorate your pyramid however you like.
