Try this!

Watch the video from Mrs Jawad.

Mrs Jawad has set you a challenge.

Make a short video – use a phone, a tablet, or a camera on a computer about your life at home during lockdown. Tell us about some of the things you have been doing, if you have any messages for your friends at school you have not been able to see.

Then email it to your class teacher. We will share them on the school website so everyone can see what you have been doing.

There are prizes for the best ones.
