

# Write a postcard

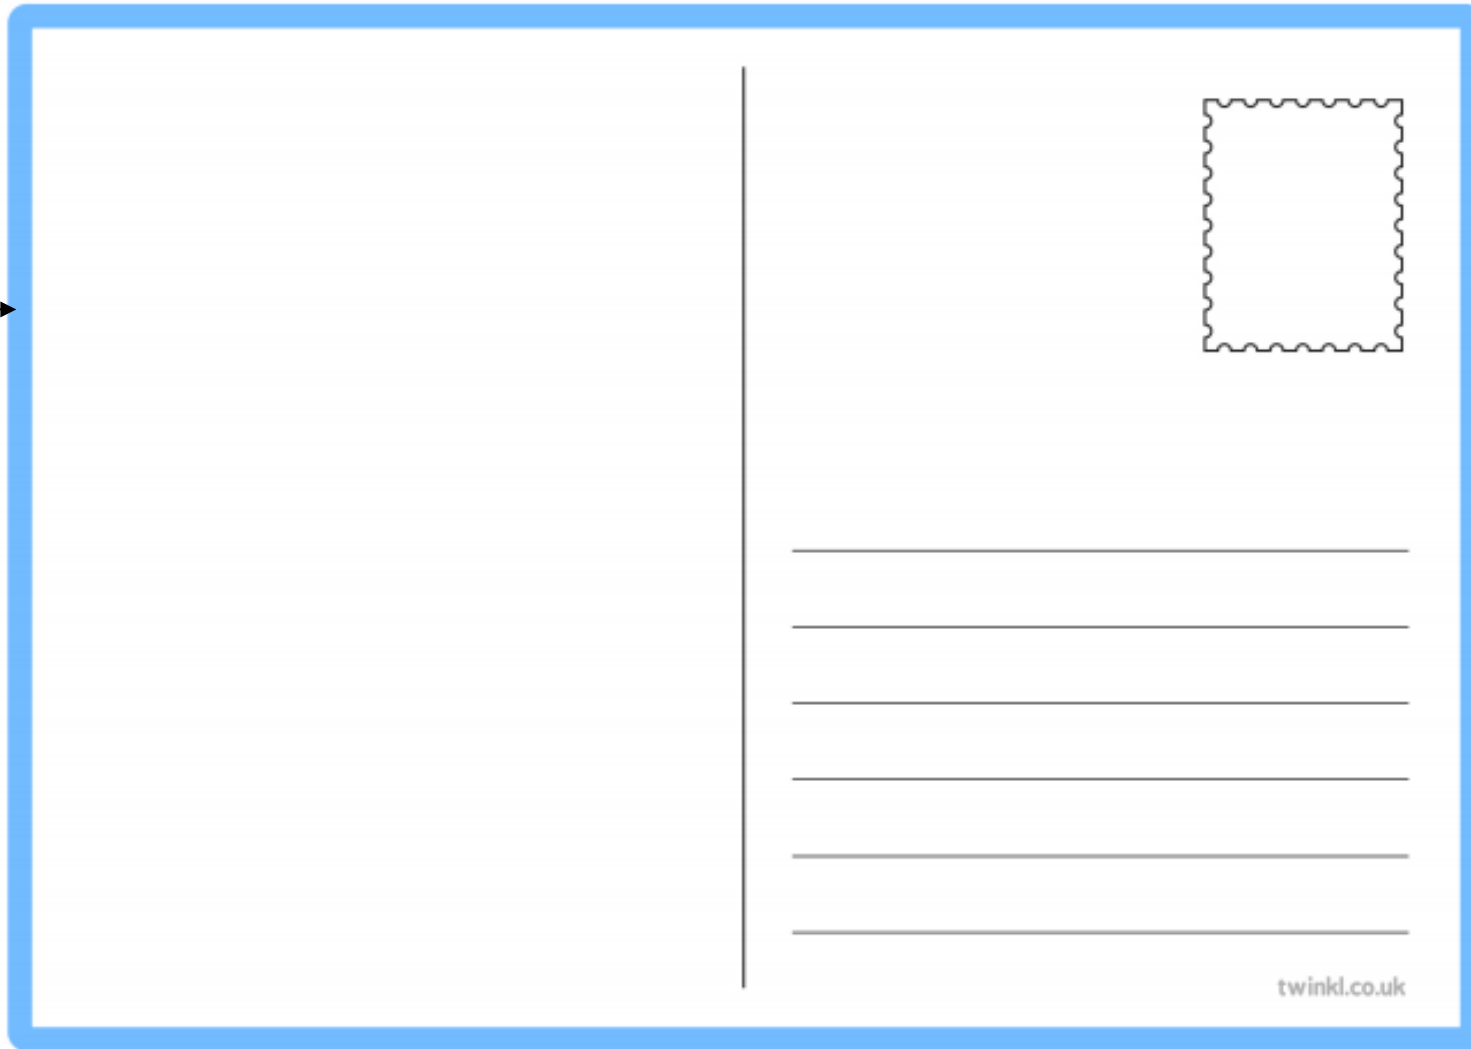

Pretend you are on holiday.

When you have finished writing, cut out your postcard and draw a holiday picture on the back.

Write a message home to tell everyone what you have been doing.

The postcard template is divided into three main sections. The left section is a large white area for writing a message. The right section contains a rectangular stamp box with a scalloped border. Below the stamp box are six horizontal lines for writing an address. The entire postcard is enclosed in a thick blue border. The text 'twinkl.co.uk' is printed in the bottom right corner of the postcard.

Draw your own stamp.
