#### **4. Acceptance of an offer of a place**

4.1. Where an offer of a place is made, the applicant should be notified that they have 10 school days/workings days to accept the offer. Where an offer is not accepted Gladstone Primary Academy reserves the right to withdraw the offer and the offer of a place to be made to the next applicant on the waiting list.

#### **5. Oversubscription criteria**

5.1. The Academy will admit children with a Statement of Special Educational Needs or an Education Health and Care Plan which names Gladstone Primary Academy. This will be in addition to any specific arrangements to specialist provision.

5.2. The order of priority for all other children is as follows:

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).
2. Children who are both living in the catchment area<sup>1</sup> served by the school and have siblings<sup>2</sup> of compulsory school age still attending Gladstone Primary Academy at the time of their admission.
3. Other children living in the catchment area at the time of admission.
4. Children of members of staff, provided that they have been employed for a minimum of two years and/or are recruited to fill a vacant post for which there is a demonstrable skills shortage.
5. Children who do not live in the catchment area served by Gladstone Primary Academy, but who have siblings of compulsory school age attending the school at the time of their admission.
6. Other children whose parents have requested a place who live outside the catchment area.

5.3.

---

<sup>1</sup> An alphabetical list of streets and their school catchment areas is available on the Peterborough City Council website - <https://www.peterborough.gov.uk/residents/schools-and-education/school-admissions/catchment-area/>

<sup>2</sup> For the purposes of admissions, the Department for Education definition of sibling is as follows: 'Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child should be living in the same family unit at the same address.'

Sibling refers to children aged between 4 and 16, living together in the same family unit, who have a sibling on the roll of the school at the time of application and admission to the Academy. Sibling includes:

- brother, or sister;
- half-brother, or sister;
- adopted brother, or sister;
- child of the parent/carer or their partner;
- children looked after, or previously looked after.

This doesn't include children temporarily living in the same household - for example a looked a child in short term, or interim, foster placement. In every case, the sibling must be living permanently in the same family home (at least Monday to Friday) and must be on the roll of the Academy, or have been offered and accepted a place at the Academy at the time of application and when the child starts.

Every effort will be made to ensure that brothers or sisters (as defined above) and those from multiple births can attend the same primary school, understanding that the Academy must comply with the Education (Infant Class Sizes) (England) Regulations 1998.

- 5.4. In cases of equal merit, priority will be given to the child living nearest the school as measured by a straight line. Distance is measured in a straight line using the Local Land Property Gazetteer (LLPG) provided from the seed point located at the child's home address to the seed point for the school. The seed point is taken from the ordinance survey's (OS) Address Base dataset. It is used to locate individual residential and school addresses using grid references as seed points. It may be necessary to use other OS maps or online resources for any home address outside of the Peterborough local authority area not covered by the local authority's computerised distance measuring system. In the case of flats, the priority is that of floor level i.e. ground, first, second etc. in that order.
- 5.5. In cases of exactly the same measurement where no differentiation can be established, a lottery will be used to decide the allocation of the place. For late applications, the local authority will allocate places in the same order of priority. In cases of equal merit, priority will be given to the child living nearest the school as measured by a straight line as above.
- 5.6. There is no automatic right of admission from Gladstone Preschool into reception at Gladstone Primary Academy.

## **6. Waiting lists**

- 6.1. The Academy will operate a waiting list for each year group. Where in any year group Gladstone Primary Academy receives more applications for places than there are places available, the places will be determined by ranking pupils according to the oversubscription criteria. This waiting list will be maintained by the Academy and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application having previously been made to the Gladstone Primary Academy.
- 6.2. Waiting lists will last until the end of the academic year. To remain on the school's waiting list for the next academic year families will need to complete a new in-year application form.
- 6.3. Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria set out in paragraph 5. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

## **7. In year admissions**

- 7.1. Applications to move a child from another school or for children new to the area to Gladstone Primary Academy should be made directly to Gladstone Primary Academy on an application form which is available from the school office or website [www.gpa.education/admissions](http://www.gpa.education/admissions)
- 7.2. Once an application form is received, the school will inform the City Council of the decision as to whether or not a place is able to be offered.
- 7.3. If a place is not offered, the child will be put on a waiting list for a place when one becomes available and will be offered the right to appeal. Places on the waiting list are allocated in line with the admissions criteria.

## **8. Appeals**

- 8.1. In the event of a place not being allocated, parents will have the right of appeal to an independent appeal panel. The appeal panel will be independent of Gladstone Primary Academy. The arrangements for appeals will be in line with the School Admissions Code and the School Admission Appeals code published by the Department for Education. The determination of the appeals panel will be made in

accordance with School Admissions Appeal Code and the decision will be binding on all parties.

8.2. The Gladstone Primary Academy uses Peterborough City Council to manage its appeals who will prepare guidance for parents and relevant children about how the appeals process will work and a named contact who can answer any enquiries parents may have about the process. Appeal forms are available from the Peterborough City Council website.

8.3. The Academy will follow the dates and the time line for school's admissions appeals as set out on the Peterborough City Council website.

<https://www.peterborough.gov.uk/residents/schools-and-education/schooladmissions/school-admissions-appeals/>

## **9. Home address**

9.1. When parents live separately, the application must be based on the address at which the child usually lives. When parents live separately but the child lives with both parents at different addresses, the child's home address will be taken to be the address where the child lives for most of the week. If the child spends an equal amount of time with each parent, the address will be taken to be that of the main parent/carer eligible to receive Child Benefit and Child Tax Credit

9.2. The address of a relative or childminder, or where a child stays or sleeps because of special domestic arrangements or personal circumstances cannot be considered. All applicant addresses will be checked.

9.3. All changes of address will be thoroughly investigated to ensure there is a permanent commitment to the new address and that it is not a temporary arrangement. A temporary address cannot be considered. This includes other property owned by the applicant and temporary moves to live with friends or family.

9.4. Any recent change of principal carer and/or parental responsibility (for example, if a child moves to live at another address) must be supported by satisfactory legal documents such as a court order. Only applications from a person who is legally responsible for the child can be accepted. If a child does not live with their parent/s and is looked after by relatives, documentary evidence such as a Will or a Court order are required as proof that the relatives are the child's guardians. A private fostering arrangement will not give parental responsibility. Please let Gladstone Primary Academy know if a parent at another address is to be kept advised of the progress and outcome of their child's application.

9.5. Gladstone Primary Academy expects to see continuity of address throughout the application process; and you will be asked for proof at any time if your address is different from the address on your application.

9.6. If it is discovered that a place has been offered on the basis of a fraudulent or intentionally misleading application (for example a false claim to residence), that offer will be withdrawn even if the child has started at the school.

## **10. Request to delay entry to school in the same year** (known as deferred entry)

10.1. Parents can defer the date their child is admitted to the Academy until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made.

10.2. To defer entry, parents must confirm this with the Gladstone Primary Academy where the child has been offered a Reception place. Parents may also need to confirm this with the early learning provider so that your child can continue to receive their free early learning entitlement.

## **11. Admission of children outside their normal age group**

11.1. The parents of a summer born child may choose not to send their child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – into Reception rather than Year 1.

11.2. Parents may apply to a year group outside the normal age group, for summer born children; children born between 1 April and 31 August are regarded as summer born children.

11.3. In exceptional circumstances, summer born children may be admitted to school in a different year group. This is usually due to concerns in relation to a child's development. If parents would like to request a 'summer born child' to start school outside of their normal age group, and be admitted to reception rather than Year 1, they would need to follow the process below.

- Parents should apply for the normal reception year for their child. The normal year in this case, is the academic year when the child will be five years old – between 1 September and 31 August.
- When applying, parents should inform the Local Authority School Admissions Team and Gladstone Primary Academy in writing, that they do not wish to

send their child to school until the September after their fifth birthday and request that the child is admitted out of their normal age group – to Reception rather than Year 1. The letter or email should include reasons for the request and any evidence to support their case. Evidence could show:

- whether the child is summer born
  - information about the child's personal, social, emotional development and academic development
  - if relevant, the child's medical history and views of a medical professional
  - whether the child has previously been educated out of year group ▪  
whether the child was born prematurely
- If your request is refused, the child will still be considered for admission to their normal age group. If the Academy agrees to the request, the child will be admitted into Reception rather than Year 1 the following year; but would need to apply again for a Reception place for that year. Please note the decision to agree to defer admission does not guarantee that a place will be available as this depends on the number of applications for entry in that year and it is not possible to reserve a place until the following year.
  - Requests for admission out of the normal year group will be considered alongside other applications made at the same time. An application from a child who would 'normally' be a Year 1 child for a Reception place will be considered alongside applications for Reception. There is no statutory right of appeal if your request is not agreed.

11.4 Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health, for children who are not of reception age.

11.5 The Academy will look at each case on its merits, taking into account the child's best interest and either agree or refuse the request on that basis. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and *possibly* the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. When informing a parent of their decision on the year group the child should be admitted to, the Academy will set out clearly the reasons for their decision.
