

Science (TUE)

LIVING THINGS – Life cycle of a frog

Look at the attached sheet on the life cycle of a frog – use the links on the sheet to find out more. Complete the tasks in your books or online – you will need to draw the diagram!

Music (MON)

Look at the attached information on Mozart; watch the video clip and answer the question Mrs Pottage has set for you. Email her your responses at jpottage@gpa.education

History (THU)

Take a look at the information sheet about the soldiers in the English Civil War: Pikemen, Musketeers and Cavalry. Use this information to answer some questions about each type of soldier. Have a think about the advantages and disadvantages of each type!

PE (EVERY DAY)

Have a look at the HEALTH and PE section of the school website and do one of the activities each day.

Art (MON)

See the attached information on art on the school website.

Geography (FRI)

NORTH AMERICA

Design a postcard to send to a family member or friend. Draw a picture or download a photograph from the internet of a place you have planned to visit in North America.

R.E. (FRI)

What challenges have you faced these last three weeks which have made you feel you want to give up on your commitments? Be honest with yourself. Who can you go to for help or motivation? Record your thoughts and goals for this week on your sheet.

PSHE (TUE)

As lockdown begins to ease, write a few paragraphs about the things you have enjoyed about being at home, those things you haven't enjoyed so much and what you are looking forward in the future weeks and months.
