Listen to our story 'Oh no George!'

<https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/oh-no-george/>

Stop reading at the page where George is tempted to eat the cake. What do you think George should do? Would you eat the cake? Why? Share your ideas in drawings and writing.

Maths

Marcus and Damien share 10 sweets between them. How many will they each have? Show your working out using pictures, objects or in a number sentence.

Geography

cliff	waterfall	village
school	harbour	street
valley	mountain	Lake
iceberg	park	zoo

Here are some words we use in geography. Some of these things are made by man and others are natural (this means that they have not been created by humans). Copy the table into your book then put the words into the correct list.

Man made	Natural

Thought of the day

"You will never have this day again. So make it count."
