Try learning the months of the year.

Talk about the date. Include the day, the month and the number of days we have had so far in the month. For example: **Today is Thursday 21<sup>st</sup> May 2020.**

Look outside to see what the weather is like today: **'Today it is cloudy but warm.'**

### Mathematics -

Write and answer the sums in your book.

$$5 - 1 =$$

$$5 - 2 =$$

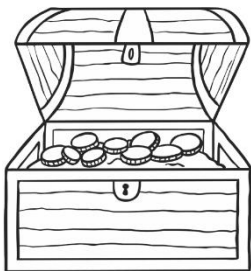

$$5 - 3 =$$

$$5 - 4 =$$

$$5 - 5 =$$

Watch 'when you subtract with a pirate' on you tube.

### Literacy – Writing

Write a sentence to say what you might put in your treasure chest.

For example:

I will put my soft teddy and my toy car in the chest.

### Something special –

Find a box and make it your treasure chest. Go around the house and select objects that are special to you to put in your treasure chest.
