Turn the sound off and read/tell the story yourself. Use your own words if you need to.

Lulu is read a story about fierce tigers.

Draw a picture of a tiger and tell an adult or write about the character of a tiger.

Investigation:

What happens when you add 10 to a number?

Choose a number and add 10 to it, you can use counters, a number line or a number square.

Choose another number and repeat.

Can you predict what the answer will be?

Try this!

DT: Can you turn yourself into a tiger?

You could make a mask or use an old headband to make ears. How could you make a tail?

Science: Complete the weather chart for Thursday.

Thought of the day

I hope your day is as nice as your smile.
