Today we would like you design a new front cover for the book and write a book review. What was your favourite part? How did the start end? Who is the main character?

Maths

Draw the coins that add up to 12p, 23p and 82p.

Try this!

P.S.H.E.

Look at the picture. Some things are not safe.

1. Make a list of the things that are dangerous in the kitchen picture.
2. Tell an adult 2 things that would make the kitchen safer.

Thought of the day
